O R D E R :

The Government agree with the Director of Harijan Welfare that there is no need to admit elementary school children in subsidized hostels in the City of Madras in preference to High School Boys. They accordingly direct that pupils studying in Classes IV and V standards in the City be made ineligible for the boarding grants and that admission to the hostels in the city for purposes of boarding grants be restricted to the students studying in VIth Standard or Ist Form onwards from 1954-55.
